

Appendix L - NY School Mental Health Resource Center Impact Statement

A PROJECT DESIGNED
FOR ALL NEW YORK
STATE SCHOOLS

BUILDING SCHOOL-COMMUNITY RELATIONSHIPS

In 2020, MHANYS received a one-year grant from Mother Cabrini Health Foundation to support a Family Education Project enhancing our ability to raise awareness about youth mental health concerns among parents and caregivers, and reduce stigma. The project included monthly 30-minute webinars and a Fall Learning Community series that was attended by educators, parents and caregivers, and community providers. Success of the project led to a second year of funding in 2021.

🎗️ 42 events

🎗️ 4,287 live views

🎗️ 825 viewed recordings

Collaborated with National partners to educate school professionals about mental health and mental health education:

- ➡️ Participated in PsychU panel discussion reaching **1,000** participants
- ➡️ Co-sponsored two day conference with SAMHSA'S Mental Health Technology Transfer Centers reaching **900** participants

We are proud of the many National, State and Local partnerships that support our work:

Catholic School Administrators Association of NYS	NYS Education Department
Center for School Improvement at the UAlbany School of Education	NYS Executive Chamber
New York State Council of Education Associations	NYS Insurance Reciprocal
NYS Association for College Admission Counseling	NYS Legislature
NYS Association for Health, Physical Education, Recreation and Dance	NYS Office of Mental Health
NYS Association of School Nurses	NYS Parent Teacher Association
NYS Association of School Psychologists	NYS Rural Schools Association
NYS Association Psychiatric Rehabilitation Services	NYS School Boards Association
NYS Bar Association	NYS School Counselor Association
NYS Center for School Health	NYS United Teachers
NYS Council of Religious and Independent Schools	School Administrators Association of NYS
NYS Council of School Superintendents	Suicide Prevention Center of NY
	And more!

Presented nationally:

- Massachusetts Joint Education Committee
- Massachusetts Community Behavioral Health Promotion and Prevention Commission
- Mental Health America
- National Center for School Mental Health

AWARD WINNING
