COVID-19 Emergency Food Assistance Program

The program supports patients with cancer, multiple sclerosis or rheumatoid arthritis who are unable to afford or access food or nutritional needs due to COVID-19. Qualified patients will receive a one-time grant in the amount of $500 to cover groceries, food delivery or pick up, and medically tailored meals and can request complimentary delivery of food and other critical supplies directly to their place of residence by one of TR's Greyshirt volunteers. Eligible patients include those who are undergoing active treatment, scheduled to begin treatment in 60 days, or have been in treatment in the last 6 months. Each patient must also be a US citizen or permanent resident, residing in the US or a US territory.

$500 One-time grant to pay for food, including groceries, food delivery or pickup, and medically tailored meals for qualified patients.

For people with cancer, rheumatoid arthritis, or multiple sclerosis

Who cannot access or afford food due to COVID-19

Apply online at https://teamrubiconusa.org/applynow

For technical assistance or help with patients who do not have any way to apply via the portal, contact us at emergencyassistancefund@patientadvocate.org.
